Here at Captain Webb Nursery children will receive an abundance of opportunities to learn through play. We ensure learning in fun and engaging yet still challenging for all children’s abilities and ensure they all get the support they need. As effective role models and a EYFS team we provide high quality interactions in order to develop and deepen children’s learning opportunities. We deliver our curriculum through a careful balance of adult led and child initiated activities, promoting curiosity and deepening the children’s imaginations. Children’s safety is paramount to everyone at Captain Webb and this shows through our rigorous safeguarding policy and procedures. Communication is important to us and we greatly value the relationship that we have with our families.
